TWISTED DECADENT HELLISH DESCENT SCANS BRINGS YOU.....

Just kidding! It's

Twisted Hell Scans & DECADENT DESCENT SCANS

Bringing you The most useless joint in history together with
the most annoying credit page you will find!!

Translator:

The most useless joint of all
time has appeared!! Hurrah!
As mentioned various times,
this joint is absurd in every
way. It's a mockery of
joints!! As for this chapter,
though, gah every damn page
was completely full of
B3B3B3B3B3. Damn hearts
everywhere.
Morbid charade

Oooooops. Sorry! We covered
all the bishes.... Suck it up!
And enjoy the chapter...

Proofreader:

I wonder which is worse,
descending into hell or being
inside the ran maiden's
Ramen, where is your Juliet?
And why is this game called
the D game anyway? Mangaka-
san, we request for more
explanation
Ginsakana

Cleaner:

I propose laws regulating
screen-tones because holy
Jesus, hear, the mangaka
has some kind of unhealthy
addiction. When I descend
to hell I'm dragging them
down with me.
Fai

Redrawers:

Mangaka needs to
earn down
Fai
You guys are lucky
you're pretty
plushies
Now, that's a hell of
a double XD
Johnny
A creature from the depths
of hell! Though I am the
easiest target XD
Usua

Typesetters:

FREAKING TEDDY BEAR
AND HIS KATAKANA SOLD
LETTERS!!!
R33

I don't have to brain,
dun. Is this mangaka in
their freaking zone mind!!?

Usua
I only did a page but
that page scared the
absolute hell out of me.
Lydia

Quality checkers:

Adi and Usua did it from the
beginning, this monstrosity so it
didn't need to do much work. And
yet, I still have this horrible page
from all these hearts. A
Mangaka charade.
Can I die now? Do I need
to look at these pages
again? Why? Why?
KILL ME!
Usua

Colour cleaner:

Why? Why must you have
284684554548 different
colors on your hair? You think
you're cool? You pint. You
suck. Your hair sucks. All of
this sucks, GRAH!
